Courtney McAllister, Board liaison

Continuing Activities, placing emphasis on any activities supporting the 2017-2021 Strategic Plan
The CEC committee currently has six ongoing areas of focus. The six subcommittees and status of each are as follows:

1. cec-webinars, Webinar task force group
    The CEC has transitioned from WebEx to the Zoom platform.

    The October Webinar titled Upcycling a Schol Comm Unit: Building Bridges with Creativity, Reallocations, and Limited Resources, by Peter Whiting and Andrea Wright, occurred on Oct. 14, 2020, and was very well received.

    The November webinar titled Open Access Content Under Threat: Internet Archive and Portico is scheduled for November 19, 2020.

    The six-month embargo has passed of the March 4, 2020 webinar titled *What makes a good Mento*r? facilitated by Kate Hil, and the recording is now freely available on YouTube.

2. cec-core-comp, Group that updates core competencies
    The *Core Competencies for Print Serials Management* was identified as the next document requiring a review this term.

3. cec-guides, Group to add ccbysa disclaimer on applicable NASIGuides
    Nothing to report

4. cec-web-liasion, Area to handle CEC webpage updates
    Nothing to report

5. cec-docs, Area to identify and rectify CEC document revision issues
    Nothing to report

6. cec-twitter-chat, Group to pilot Twitter chat
Nothing to report

Completed Activities, placing emphasis on any activities supporting the 2017-2021 Strategic Plan

Two updated Core Competencies were posted to the NASIG website:

- *Core Competencies for Electronic Resources Librarians* (updated January 2, 2019)
- *Core Competencies for Scholarly Communication Librarians* (updated 1/10/2020)

Statistical Information

October webinar: 4 registrants
